

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 4 – HB 247

February 16, 2009

SUMMARY OF BILL: Requires all children entering a child care facility to show evidence of vaccination against pneumococcal disease. Requires any child under the age of two who is enrolled or enrolling in a child care facility on or after October 1, 2009 be vaccinated for age appropriate series of pneumococcal conjugate vaccine.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$25,500/One-Time

Assumptions:

- The Department of Health estimates necessary revisions to the Tennessee Web Immunization System (\$4,000) and the Patient Tracking Billing Management Information System (\$1,500) will result in an increase in one-time expenditures of \$5,500.
- The Department estimates that 500,000 new and temporary immunization certificates will be made for children five years of age and younger who are enrolled in child care facilities. The new certificates will result in an increase in one-time expenditures of \$20,000.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James W. White".
